Simplify Your Business with a Merchant Bankcard Program

Streamline payment processing and give your business the freedom and flexibility to accept all major credit cards with Columbia Bank's merchant bankcard program provided by Vantiv.

Merchant bankcard services help improve efficiencies and cash flow management, all while keeping costs low.

Merchant Bankcard Benefits

- Access to a full suite of products and services.
- Online back-office management.
- Fast settlement funding.
- Advanced secure technology.
- Commitment to customer service.

Vantiv's merchant bankcard team works hard to provide Columbia Bank clients with extensive service and training support, as well as merchant-friendly options suited for your business.

Merchant Bankcard Services

Columbia Bank offers you a merchant bankcard program provided by Vantiv that includes the tools, resources, convenience and services you need to accept all major credit cards.

Tools and Services

Credit Card Acceptance

Accept all major credit cards including Visa®, MasterCard®, Discover® and American Express® as well as Fleet, commercial cards and more.

Debit Card Acceptance

Offer security and speed with access to all major PIN debit networks.

Electronic Benefit Transfer

Convenient access to funds and multi-billion dollar EBT market with direct links to EBT networks nationwide.

Gift Card Solutions

Ability to provide a complete gift card program suited to your business' needs.

Mobile Solutions

A secure, versatile smart phone application turns an existing smart phone into a handheld device with all the payment processing power your business needs. Combined with the encrypted card reader, your phone can quickly and securely swipe and process card payments at a fraction of the cost of a wireless terminal.

Check Processing Services

Easy and convenient check writing that is both cost-effective and efficient.

Data Security Solutions

- Online data security tools, products and resources to help protect your business.
- Online Data and Reporting
- Manage information online anytime and anywhere with a secure internet-based portal.
- Reconcile merchant accounts.
- Access detailed and summary transaction data.
- Review chargeback and retrieval data.
- Research transactions.
- View and print online reports and statements.

Technology and Customer Support

- Powerful point-of-sale program backed by trusted resources.
- The flexibility to choose from a wide variety of secure and PCI compliant hardware and software processing solutions.
- Access to a customer contact center 24 hours a day, seven days a week for consultation and escalation of critical issues.
